

ANNOUNCING Two new books by Pastor Craig Martin Barnes

If you think the Old Testament Feast Days are outdated and of no interest to Christians living in the twenty-first century, think again! Within the feast days lies the entire gospel message of salvation – every feast says something about Jesus Christ: who He is, what He is doing, and what He will do in the future.

Feast Days for the Contemporary Mind will open your eyes to the amazing truths about salvation that God wove into the feasts He gave to the Israelites to observe. Pastor Craig Martin Barnes explores each of the seven feasts and the antitypical fulfillment of each event as it relates to our redemption.

This book plunges you into the word of God, examining the Old and New Testaments as they relate to the feast days and their completion, and provides detailed commentary that expounds upon the subject matter and guides you to a deeper understanding of Jesus' life, death, and heavenly ministry.
